

How to Sign Up for the Portal – for Parents & Guardians

Quick Reference Guide

PowerSchool's Parent Portal has single sign-on for parents/guardians, which means you now have your own individual parent/guardian account, including user name and password. Your child's school provides you with a letter (one letter for each of your children) that contains the following information for your child:

- The Parent Portal website location: < **website address** >
- The confidential Access ID: < **access ID** >
- A confidential Access password: < **access password** >

Follow these steps to create an account for the Parent Portal and link your children to your account.

1. Enter the website address into your browser (e.g., Internet Explorer, Firefox, etc.).
2. Click on **Create Account**.

The screenshot shows the PowerSchool Parent Portal interface. At the top is the PowerSchool logo. Below it is a 'Login' section with a 'User Name' field, a 'Password' field, and a 'Submit' button. A link for 'Having trouble logging in?' is also present. Below the login section is a 'Create an Account' section with a 'Create Account' button. The text in the 'Create an Account' section reads: 'Create a parent/guardian account that allows you to view all of your students with one login account. You can also manage your account preferences.
